# The Crystal Vaults Mansions of the Moon 2025 Calendar

If you own a Daily Crystal Horoscope you will be needing a calendar of the Mansions of the Moon for 2025. It is here for you.

## Background

The Mansions of the Moon are the 28 divisions of the Zodiac. When the Zodiac is divided into 12 parts we know them as the Sun signs like Aquarius and Aries. When the Zodiac is divided into 28 parts they are called the Mansions of the Moon. In its roughly monthly orbit of the Earth, the Moon spends about one day in each of the Mansions. The Moon's influence on our feelings and spirits depend on which Mansion it is transiting. When the Moon is above the horizon, you will find that its influence based on its current Mansion is far greater on you than any other planet or arrangement of planets in your astrological

chart.

The Crystal Daily Horoscope is a simple tool to use to keep track of the Moon and its influences. It comes with complete instructions and is very easy to use.

How would you like to cast your own daily horoscope, do it in under a minute, and know exactly what energy the day will

bring? And how about if you don't need the Internet, a complex chart with lines and arrows and archaic symbols, a pen, a notebook, or even a piece of paper?

It turns out you can. If you can move a crystal or two on the Crystal Daily Horoscope chart you can almost instantly cast your horoscope for the day.

The Horoscope is an 11 x 17-inch full-color laminated chart, five crystals and complete instructions and reference charts. The reference charts are used to interpret the results of the daily movement of the crystals that track the moon and produce a daily horoscope. It takes about a minute and is absolutely accurate. The instructions are easy to follow, the chart is eye-catching, and the results are amazing.
